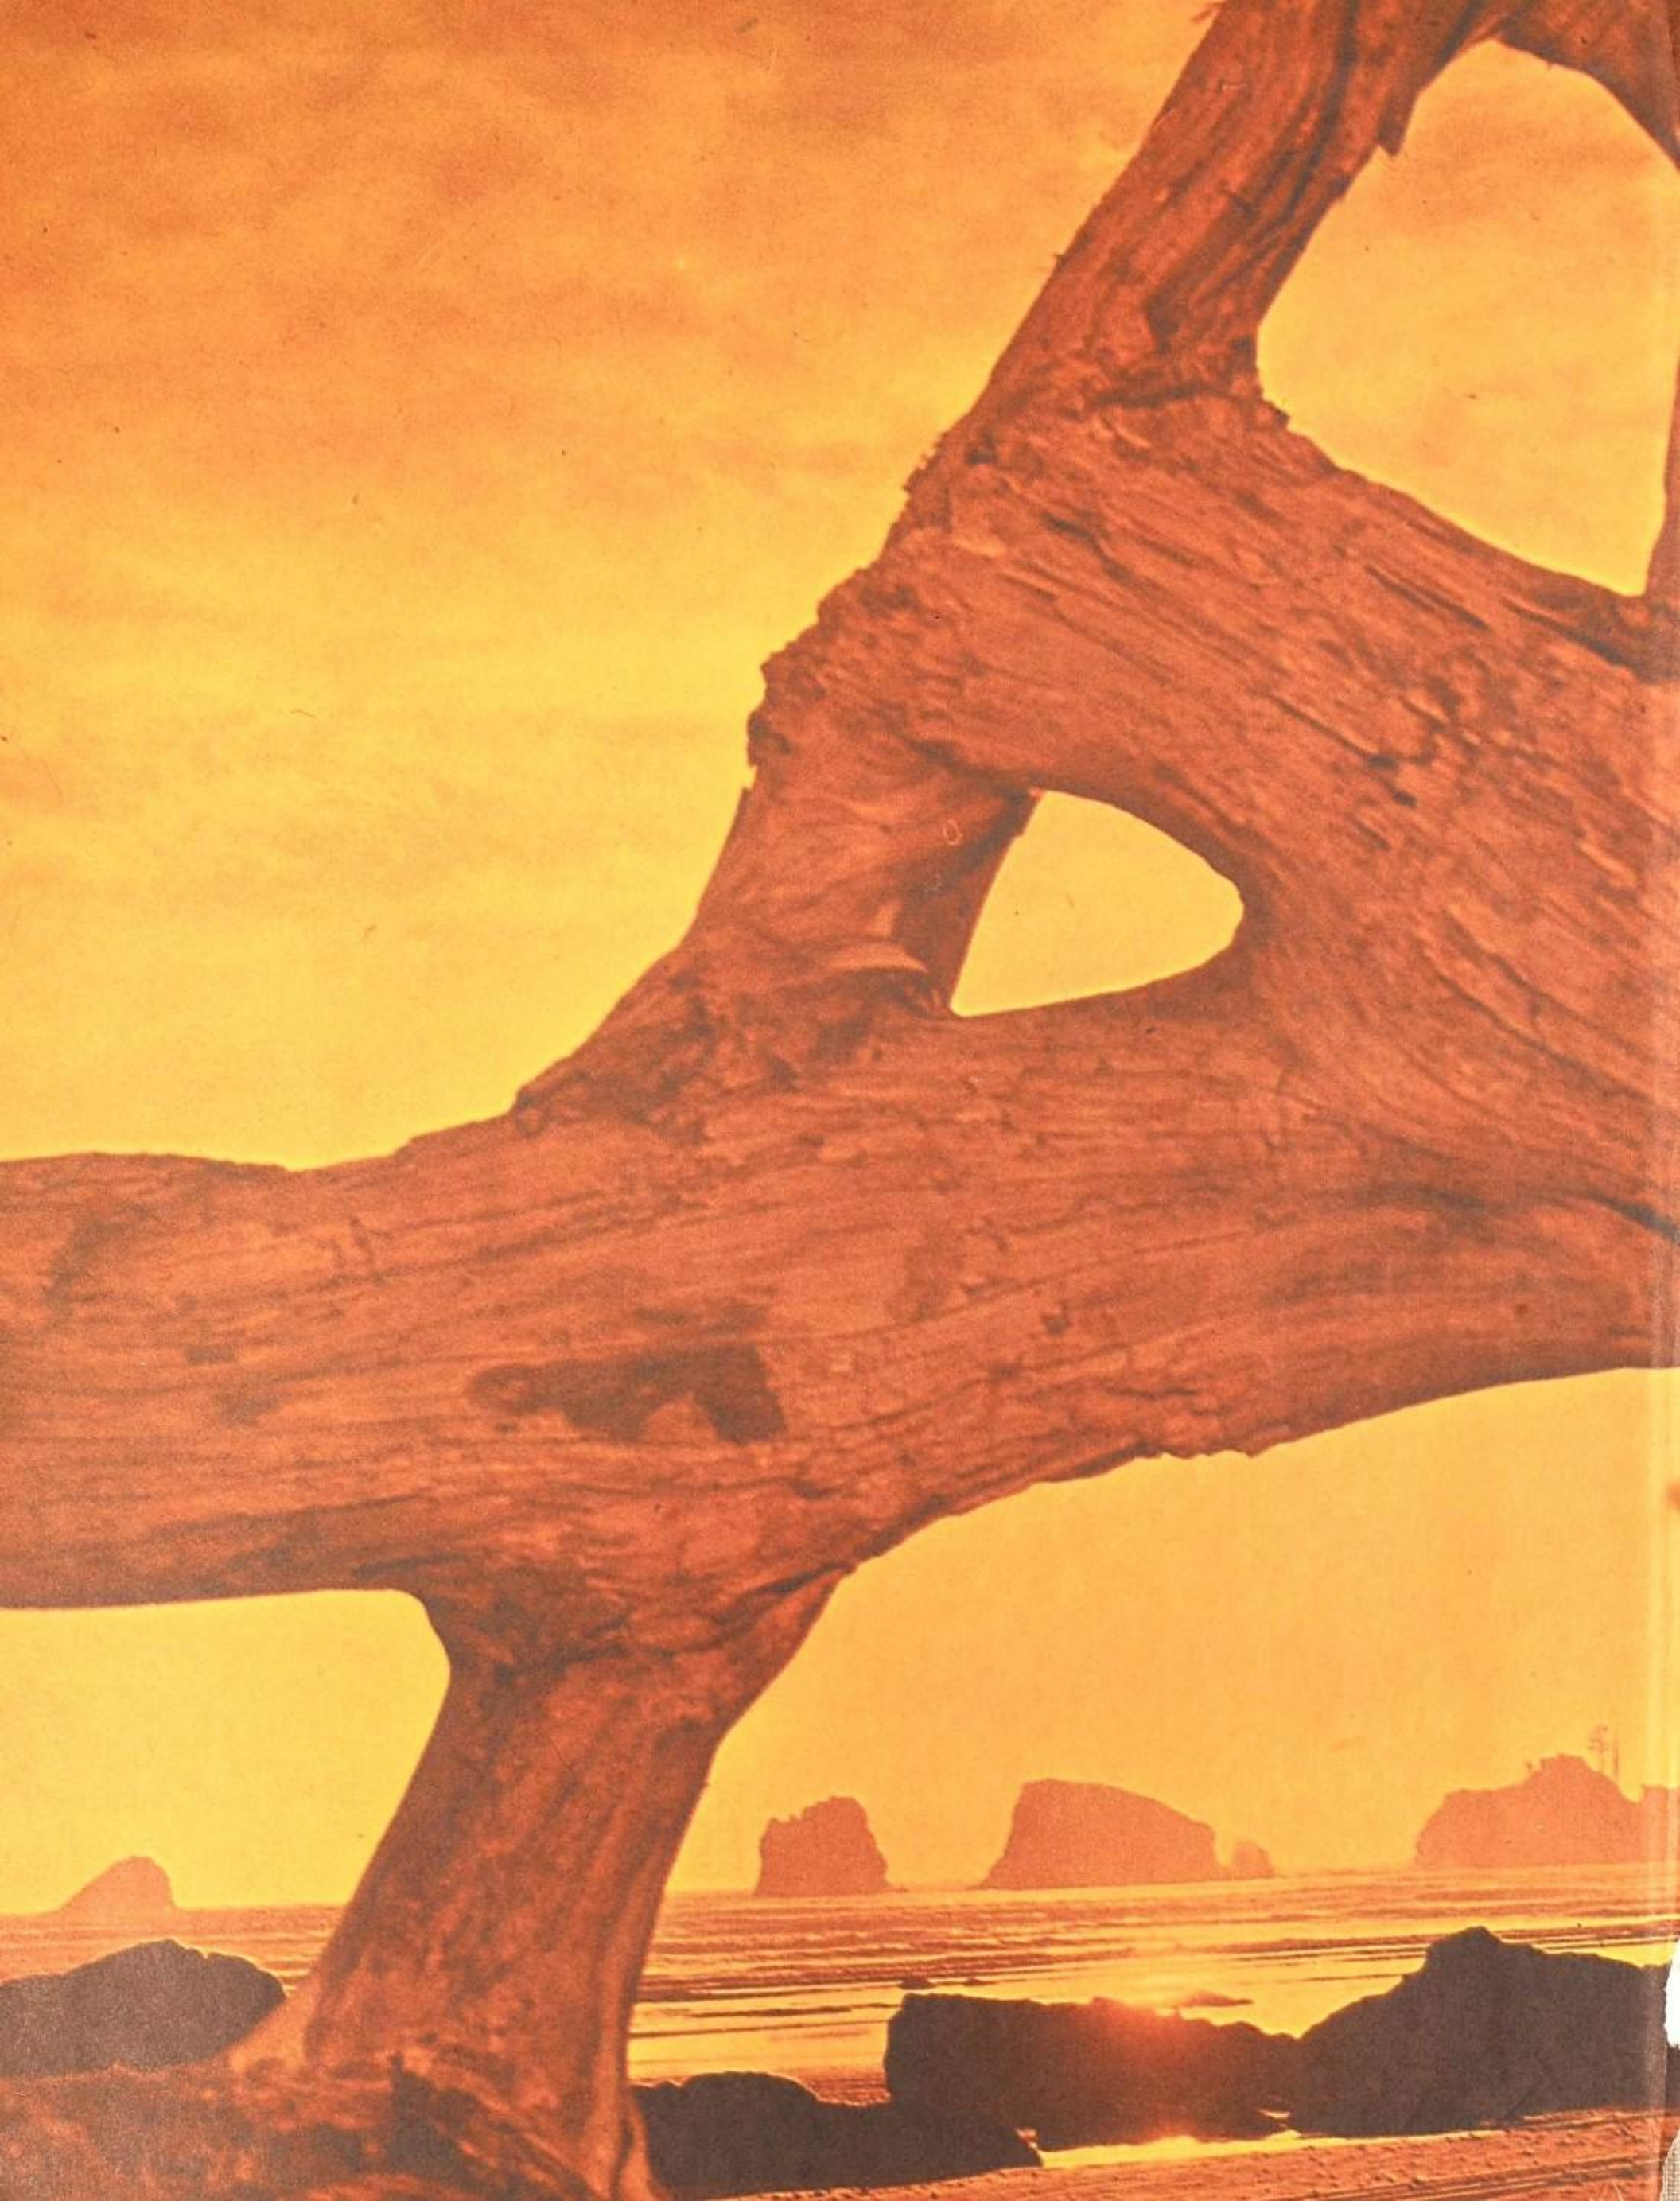
SOUTHERN HIGH SCHOOL

1976 REBELS



1976 Southerner

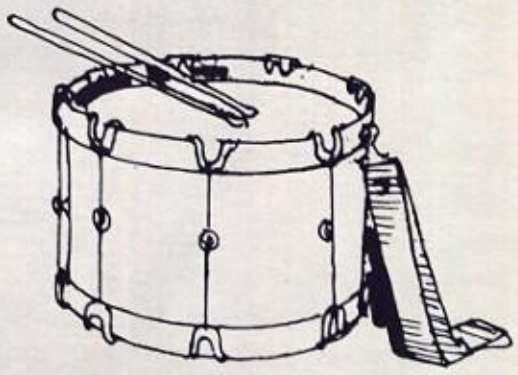
LOYALTY

The Southern High Rebels are coming your way now.
We're aiming for victory and we're gonna say
That we will - go - fight - and win this game tonight
Southern High Rebels you're doing all right!

We're shouting—

Southern High Rebels are going to fight now.
Oh, we're gonna make it, 'cause we're in the right,
So we will - get tough - show everyone our stuff
And win for our Southern High.

And when you see that red, blue, and grey,
Stand up and shout. Hey! Hey!
For we are proud that we are
The Southern High Rebels (The Southern High Rebels)
The Southern Rebels are great!
Let's show them how they rate!
Let's give a big cheer for our Southern Rebels
Fight, boys, for the red, blue, and grey!



Dedication

We, the members of the 1976 Southerner Staff, dedicate our yearbook to the people who have worked and sacrificed so that Southern High School may continue to serve the Students of this community in the best interests of education.

THE 1975 SEASON

This year's Southern Rebels football team was again one of the best teams in 1A in the state. Because most of the players from last year's 10-1 football team were back, the 1976 Rebels ran roughshod over the rest of the Bi-County. This year, the Rebels went undefeated throughout the conference. In the playoffs, the Rebels marched to the quarter finals until they were upset by Princeville. For the second year in a row, the Rebels finished among the final eight in the state.

THE VARSITY SEASON

The Southern Rebel Varsity Basketball Team finished a fine season with a 14 and 10 record. They scored a total of 1,409 points for an average of 61.3 points per game, and allowed 1,359 points for a defensive average of 59.1 points per game. As a team, the Rebels shot 43 per cent from the field and 60.1 per cent from the free throw line.

Union is the only team in the Conference in which the Rebels did not win against. The Rebels finished the conference with a 9 and 5 record, placing third in the Bi-County Conference.

Two school records were broken by Rod Phillips. He broke both the single game steal record with 10 and the season record of steals with 67. Jay Blender was selected on the all Bi-County Conference First Team and was also picked on the KBUR All-Area Team.

The three top players in each of the individual offensive and defensive departments were as follows:

CLASS PROPHECY

Hello ladies and gentlemen. This is your roving reporter covering the Almuni Banquet of the year 200 honoring the first class to graduate from both Southern Jr. High and High School. This class graduated i our Bi-Centennial year twenty-four years ago.

There in the crowd—isn't it—yes it is the mayor of Carman, William Steck and his wife, who have jus returned from his summer resort at Shokokon on the mighty Mississippi, and accompanying him are th speakers of the house, Tyler Erickson, Joe Annegers, Dan Peasley, and Mervin Roth, who were recenti declared most valuable tackles of the Washington Senators. Standing by these representatives' sides ar their faithful secretaries, Jill Bowlyow, Debbie Woerly, Jean Livermore, and DeAnn Waller.

The welcome is being presented by the famous radio commentator, Tim Fort. But wait, what't what hear in the back of the room? It's the infamous "Okie" alias Dwayne Magee, protesting mayor Steck's recen aggretion of troups into Decora. Secret Service men Mark Baxter, Bill Bound, John Allaman, and Rick Olson under the direct orders of genius FBI Director, Timothy Spears, are quickly disposing of the rioters. Now back to the banquet.

The prayer is to be delivered by the noted Baptist evangelist, Ron Devey. As we sit down to eat, we se Alice Worley and some of our married couples conversing. There is Donna Cook Wills, Darlene Mage Hoskins, and her husband, Marcia Wilson Peterson, Jeff and Lesley, who is now the director of the loca Funeral Home. Sitting next to the Petersons is Eleanor Ann Jacob, nominated Homemaker of the year b Today's Women Magazine. Across the table we see Patsy Kleiber, a successful social worker.

Well, it's time for the entertainment. Tonight Rita Browning, the New York retailer has brought he style revue of Paris Fashions. Background music will be brought by an old trio, Camay Gerhardt on th clarinet, Dave Effland on the trumpet, and Pat Quigley on the tuba. Next on our program for a change of pac we have a famous basketball coach, Joe Huffman, and his girls. There are many familiar faces in the crow tonight. There is Joe Brokaw and Jim Ford. These two guys have just finished building the Bionic child. Jo did the carpenter work and Jim did the plumbing on the child. Nurse Linda Knupp came with these fellas t take care of the child. The next seats down are Dave Galbreath and Kirk Keever, a couple of chemists. Acros from these two guys sits Janine Rehm, the first woman trainer in the history of the Olympics; she must leav early so she can catch her plane. To the right of her sit Darrell Jones and Roben Scott, who have been work ing on the computerized student with push button control. How's it coming, fellas? I see there is a hot discus sion going on with Roger Lebeck and Larry Linder, who have just returned from a run around the world. W are lucky to have Gena Heap, Carol Hilten, and Lea Ann Hartman with us tonight. I understand they too time out of their busy night schedules to join us.

Well, folks, I guess that's about all from Southern—but wait, here comes a gang. It's Avery Mynatt, co pilot of a 747, and some of his passengers. There is his navigator, Dan Mesecher, a stewardess, Peggy Pulse and the professional student Ellen Myers. It seems on the way down the runway something went wrong wit the plane, but the nice guys, Bill Gesling, Marty O'Neal, along with their great mechanical minds volunteere to help try and fix the plane. Also, the factory worker, Joni Mickey thought she could help, since planes wer her specialty. These people would have never made it here by now but patrolwoman Joni Stamp picked u some of the passengers and led the rest in procession. Coming in just after these are John Link and Ton Hawk. It seems John was waiting for the orange bomb to pick him up because his night driving "Ain't what used to be".

Oh, look, here comes the last of the members of this fine class, Peggy Farmer and Derek Brewer; bot were held up in a traffic jam in the big city of Stronghurst on their way here tonight.

Well, folks, I guess that's really it this time; so, this is your roving reporter signing off. Thank you an Good Night. Good night Janine, good night Eleanor, good night John Boy!

COMMENCEMENT

BY KEVIN KENT

Yesterday we were Seniors;
Today we are adults.
Today is the end and the beginning,
The end of our childhood-our past,
The beginning of our future.

As we look back, we remember:
Good times together,
Hardships we have overcome;
Triumphs we have won-
Both for ourselves and for our school.

Looking into the future, we see:
Different roads for different people
As each class member seeks,
His individual goals and opportunities;
We are a class no more.

But always we will remember,
Scattered though we may be,
The yesterdays we've known together.
The spirit that we've shared,
Friendships that will never die.
